

## The Unify Energy Solutions e-Parts

**Website:** A new, better way to purchase building automation parts and HVAC controls online.

Unify Energy Solutions has taken another step in providing unique solutions for our clients in the creation of **unifyparts.com** — an online shopping site for building automation controls and HVAC parts from more than 120 of the industry's leading manufacturers. **unifyparts.com** was built to move you one step closer to meeting your project and business goals, and we've worked with our partners to develop a customer-focused site that will deliver the very best experience in purchasing all the parts you need online.

Visit **unifyparts.com** today and register for an account to take advantage of preferred pricing and extended credit terms. We developed the site with you in mind, and we're confident that you'll see the benefits.

### markets

We offer a unique online purchasing solution for contractors, engineers, facility managers and building owners throughout the greater Houston area.

### products

From thermostats to sensors and everything in between, we offer more than 100 million HVAC controls for your upgrade, replacement or spare parts needs.

### manufacturers

Over 120 industry-leading manufacturers...and the list keeps growing every day.

### search tools

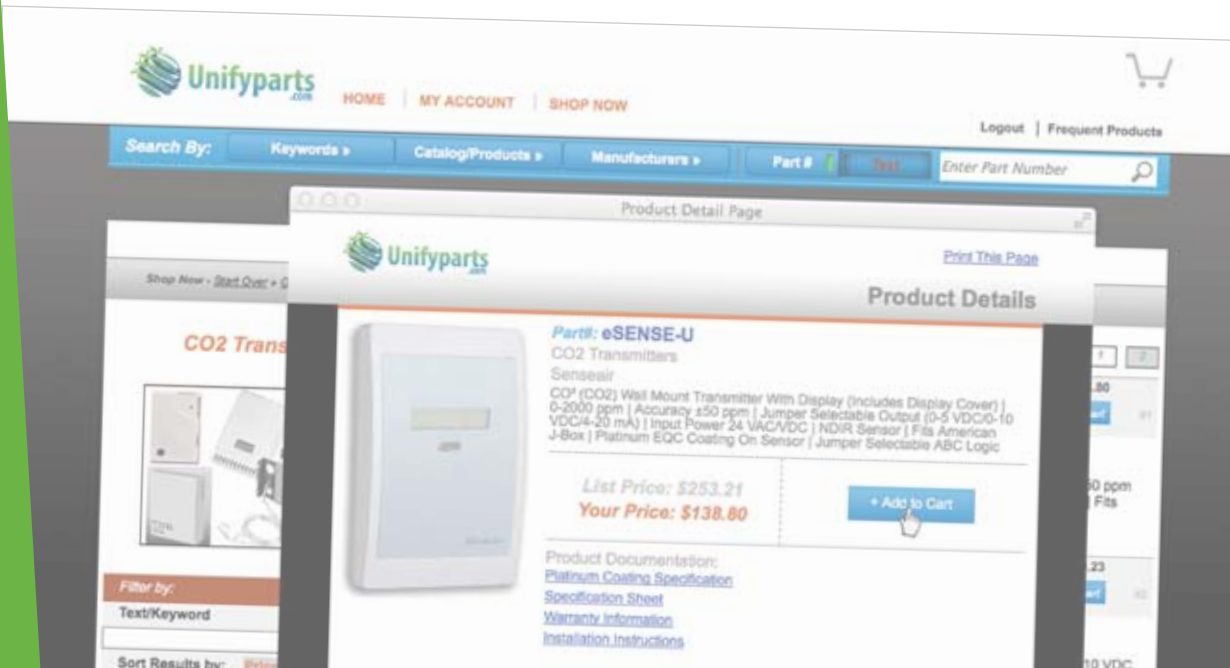

However you prefer to search online — by product number, manufacturer, or keyword — you can find exactly what you need quickly, easily, and conveniently at **unifyparts.com**.

### customer service

Via email or over the phone, **unifyparts.com** service reps are here to make sure you get the best purchasing experience. We can assist with part selection, pricing quotes, site navigation and more.

### accounting & reporting

View your entire order history online or just download an invoice from your last purchase. **unifyparts.com** gives you the information you need easier and faster.
